Mission Statement

We provide a stable and secure learning environment that fosters a solid foundation for a lifetime of success. Our space is a safe, respectful and inclusive environment that builds confidence within each child.

"Open arms, warming hearts, and building minds here at Leah's Little Rascals Clubhouse."

Philosophy

At Leah's Little Rascal Clubhouse LLC we strongly believe that educational childcare can make a positive difference in the lives of young children. This inclusive program recognizes each child is an individual with unique strengths and developmental needs. Establishing routines that children can understand and can depend on is important for a child's growth. Through a daily schedule each child is able to create, explore, experiment, and learn problem solving skills with the guidance of both teacher and self initiated activities and play. We provide a world that is child oriented and planned so children can develop at their own rate that fits their individual needs. We are giving tools to the children so they can succeed in a formal learning environment.

Hours of Operation

Children must be dropped off no earlier than 6:30am and must be picked up no later than 4:30pm. If a parent fails to pick up by 4:30pm, they must contact the owner and pay **\$1.00 per minute** for every minute past pick up time (4:30pm). Please be respectful and mindful that the owner has a family with daily evening activities. Additionally, any communication should be done during regular business hours, except for emergencies.

Absences:

If a child will be absent you must contact the program ASAP so there is enough time to adjust our schedule. But you still have to pay. We would like to know before 8am. If you know your child is going to be absent (not due to an illness) please notify us 24 hours in advance.

Arrivals and Departures:

Families are to drop off and pick up their child according to the contracted times. If there needs to be an adjustment in either the drop off or pick up times please provide a written notice within 24 hours. If there needs to be an adjustment just for a day, notify

the program ASAP so we can make accommodations regarding food, activities and staff.

Children should arrive clean, fed and ready for the day if arriving after 9am. Some children struggle with the transition to and from childcare. Establishing rituals and reassuring the child that you will return can ease the process. Staff will work with parents to establish a simple and quick goodbye ritual. Some ways that we like to establish this is by letting the child walk in the daycare, say hello to all of their friends, a quick goodbye to the parent and then engaging the child in activities. Most children calm down quickly but feel free to call, text or message in brightwheel to check up on your child if you are concerned.

The cut off time to drop off your child is 9:00AM.

Which means your child won't be able to be dropped off after 9:00am. It's really hard to have a child come after we have our planned out and schedules. It's also hard when we are taking a nap and your child doesn't nap or when they sleep in. I need to be able to break my teachers.

Signing in and out:

- If a child other than a parent or guardian is picking up the child a written authorization and notification is required. A photo ID is required for anyone picking up a child unknown to staff. **Any person that is picking up must be of 18 years old or older.**
- If for any reason a child or guardian is not allowed to pick up the child due to a court order (ie: restraining order or divorce decree) there needs to be the official order in the child's permanent file.
- Leah's Little Rascal Clubhouse LLC will not release children to any person who is believed by staff to be under the influence of drugs or alcohol. If staff need to call another person on the child's emergency contact list we will happily call. Further required action may include calling DHS or the police.

******All children need to be in proper child restraints when leaving the daycare. Please remind all pick up people to have car seats or boosters as we do not have any to loan.***

Curriculum

Leah's Little Rascal Clubhouse LLC uses a curriculum made and altered to the children's needs and interests. Having structure in the day to day helps children learn what to expect. This in turn helps them learn and practice routines so the transition into preschool is easier.

Guidance and Behavior:

Our positive guidance policies are designed to help children learn appropriate behavior. Children are presented with a positive model of acceptable behavior. Behavior guidance standards are based upon the developmental needs of each child. Staff set clear boundaries and expectations in advance for the children. Typically we use redirection, a calm down corner, visual guidance tools, mindfulness activities and lessons on social and emotional learning. Children are taught to use acceptable alternatives such as problem solving to reduce conflict.

Guidance will be fair, consistent and reasonable as well as based on the child's understanding and the child's individual emotional needs. Acceptable behavior and respect for the rights of others will be expected of all children at Leah's Little Rascals Clubhouse LLC and our staff will help all children achieve this goal. All children and staff members will be protected and provided a safe and secure space in the program. All behavior thought to be detrimental to the program, children or staff will be addressed promptly. Unsafe behaviors such as biting, hitting and kicking that do not change quickly may result in further action. Family meetings, behavior plans and expert advice may be used. This program is not allowed by law to suspend or expel students. Any behavior that results in another child being injured will prompt staff to get involved and a report will be sent home to each parent.

Calm Down Chair:

If a child is not responding to any of the other techniques to change unsafe or unacceptable behavior staff will use a calm down chair. Before the chair is used there is

a warning given. If the child chooses to not listen, a staff member will take the child into the chair and explain why at eye level with the child. Children under the age of 24 months will receive a 2 minute calm down time out. Children over the age of 24 months will receive a 3 minute calm down time out. After the allotted time for the child, staff will get down at eye level and explain again why they were in the calm down corner. There will always be a hug or high five at the end of the interaction.

Electronics Policy:

At Leah's Little Rascal Clubhouse LLC children use limited electronics. Times where electronics are used are during the slow drop off mornings between 6:30am and 8am, children that choose not to take a nap or have a short nap between 12:30pm and 2:30pm, and sometimes during weather inclement times when we cannot go outside between 4pm and 4:30pm. Movies or shows that are viewed will be rated either G or PG only.

Nap and Rest Time:

All children take naps or rests after lunch between 12:30 and 2:30 / 3:00pm. During nap time a white noise machine or soft music will be turned on. Children are asked to bring a favorite blanket (and stuffed animal if it will assist them sleep) to put in their cubby for naptime. Leah's Little Rascal Clubhouse LLC will wash all bedding every Friday. Children that cannot sleep will be encouraged to rest quietly during the nap period. School aged children are required by the Child Care Division to have at least 20 to 45 minutes per day of quiet rest time.
